

# Professional Member Application

## Release of Information Authority (employee)

To whom it may concern

As part of my on-going professional development I am applying to become a Professional Member of my professional body, National Speakers Association of New Zealand Inc. (NSANZ).

The process may involve my business activity being verified.

This letter authorises you to provide information to the NSANZ appointed representative who has contacted you. The information he or she may require will include verifying my income is a minimum of \$50,000 per annum from speaking related activity.

I would be grateful if you would provide the information the auditor seeks so my Member application can progress smoothly.
